

NOTICE OF PUBLIC HEARING

Notice is hereby given that a Public Hearing will be held Wednesday, April 5, 2017 at 1:00 p.m. in the Rich County Courthouse, 20 S. Main Street in Randolph. The Rich County Board of Commissioners is considering applying to the Permanent Community Impact Fund Board ("CIB") for a grant of \$8,300,000. The CIB is a program of the State of Utah, which uses mineral lease royalties returned to the State by the federal government to provide loans and/or grants to local governments for public infrastructure projects. If awarded, the CIB may choose to provide the requested financing as either a grant or as a long-term loan, or some combination of both.

The purpose of the application is to reconstruct 12+ miles of Cisco Road on the east side of Bear Lake from the Idaho border to State Highway 30 in Laketown. This project would include 8½ miles of total road reconstruction and 3½ miles of road overlay. If awarded, the funding would allow the project to begin in 2018.

The Board of Commissioners is soliciting the public's comments on the size, scope and nature of the proposed application. Those attending the meeting will be invited to provide their input.
