Dear Citizens,

As Rich County Commissioners, we are very happy to share with you a free prescription discount card program. It's a pleasure that county government can bring our citizens a benefit without a cost connected to it.

Rich County can do this by partnering with the National Association of Counties (NACo). NACo and CVS Caremark have bargained nationwide with many pharmacies for discount prices on prescription drugs.

It is estimated that you can save about 20% on your prescription purchases when using this discount card at any of the 23 participating pharmacies in Garden City, Utah; Logan, Utah; Montpelier, Idaho; and Evanston, Wyoming with many more in adjacent counties. Two more great benefits of this card are:

1. It can be used as often as needed.
2. It can be used for veterinary prescriptions for your pets.

If you already have prescription drug coverage, you can use this card for discounts on prescriptions not covered by your insurance plan.

Should you need more information, please call the toll free number at 1-877-321-2652 or visit our website at [www.richcountyut.org](http://www.richcountyut.org).

Best regards,

RICH COUNTY COMMISSION
