The 20' ingress/egress cross easement grants to property owners (and their successors, heirs, assigns) of Lot 1, Lot 2, and Lot 3 a perpetual, non-exclusive easement and right-of-way over and across the portion of Lot 2 marked "Ingress/Egress Cross Easement" for the purpose of ingress and egress, vehicular and pedestrian, to and from 200 North Street, Highway 89, Lot 1, Lot 2, and/or Lot 3.

The 20' ingress/egress cross easement reserved hereunder shall be a benefit running with each lot (i.e., Lot 1, Lot 2, and Lot 3) or any part thereof and a burden upon Lot 2 for a perpetual period, and shall be for the use and benefit of the property owners, their successors, heirs, and assigns, and their licensees, lessees, invitees, agents, representatives, and others which the property owners desire to provide access to their lots. Each property owner agrees to cooperate in periodically interrupting use of the ingress/egress cross easement as necessary to prevent the ingress/egress cross easement from becoming part of the public domain or otherwise becoming dedicated as a public street, right-of-way, or easement.

The property owners (and their successors, heirs, assigns, licensees, lessees, invitees, agents, and representatives) of Lot 1, Lot 2, and Lot 3 will have access to and use for parking of areas designated as parking stalls 1-21, and to all additional parking subsequently acquired by owners of Lot 2 or Lot 3.

If Lot 2 (or any development thereon) is expanded or developed further than currently shown on the plat, then that developer shall provide parking stalls in addition to those shown on the plat as parking stalls 1-21. As provided above, the owners (and their successors, heirs, assigns, licensees, lessees, invitees, agents, and representatives) of Lot 1 and/or Lot 3 will have access to and use for parking of such additional parking stalls.

If Lot 3 (or any development thereon) is expanded or developed further than currently shown on the plat, then that developer shall provide parking stalls in addition to those shown on the plat as parking stalls 1-21. As provided above, the owners (and their successors, heirs, assigns, licensees, lessees, invitees, agents, and representatives) of Lot 1 and/or Lot 2 will have access to and use for parking of such additional parking stalls.

Under no circumstances shall the owners (and their successors, heirs, assigns, licensees, lessees, invitees, agents, and representatives) of Lot 1, Lot 2, or Lot 3 allow expansion into areas currently marked on the plat as parking stalls 1-21 without first providing replacement parking that is equivalent in use and access for the other owners (and their successors, heirs, assigns, licensees, lessees, invitees, agents, and representatives) of Lot 1, Lot 2, and Lot 3, and must have prior approval by the Garden City Planning and Zoning Commission and Town Council.
